Hi, Just checking to ensure we're still on. We will probably have a lot of people connecting remotely given the situation in Seattle.

Subject: Draft March Extended ET Agenda

Attached is the latest revised draft agenda for next week's Extended ET Meeting. Since there have been a lot of changes since the last draft, please check it carefully to make sure I didn't accidentally delete or keep your topic contrary to your instructions and provide any other feedback as appropriate. I would like to send out a final agenda by COB tomorrow. Thanks!--Ed
